

Road Master's Report

6/26 through 7/24/2019

Tar-n-chipped 5.28 miles of township roads including:

- Emery Road
- Mary Stuart Road
- Johnny bee road
- Pocono Circle
- Juniper terrace
- Reser's Way
- Nichecronk Road

We had some areas that I wasn't happy with the contractor came out on Saturday 07/13/2019 and repaired all section that weren't up to standards

Contacted line painting contractor (dbi) and notified them they were awarded the bid.

Doolan Road:

- Scalped from Traces of Lattimore to Silver Lake Road, cleaned out two culvert pipes that were not working, rebuilt head walls and swale, still have drainage corrections on opposite side of road.
- Two encroachment issues on Doolan Road had to have Shawn put stop orders on both issues. 202 Doolan Road work with resident to correct issue. Issues corrected. 108 Doolan Road Tried to work with resident still up in the air trying not to go enforcement and fine route but may have no choice.

Received new flair mower.

Received ok from LSA Grant to order skid steer and attachment, truck, do tar-n-chip work.

- 07/15/2019 ordered skid steer and attachments received 07/23/2019
- 07/15/2019 ordered new truck build should be done before October 15th

Flair mowed all township roads.

Weekly mowing of intersections, ambulance bldg., substation, Camp, Township Bldg., Emergency Management Bldg., ball fields, fire dept., and American legion.

Pre mid meeting with John Tressler and contractors on Township Bldg. Roof.

Meet with Fire Department to set up Training for cabins set for demolition.

Draw up RFP for the demolition of cabins at camp, to be posted on pen bi .

Schedule Peec quarry days with emergency services , so there was no traffic while peec was present

Schedule outside repairs and Maintenance

Repair maintenance bldg. at camp

Order new window for the bathhouse

Task force:

- New update on paving from penn-dot for 739 is aug 26th
- Discuss a possible rap program in pit area
- Meet with Daniel Stepaniants acting Assistant Highway Maintenance Manager , regarding issues on Wilson hill road between Chestnut ridge and Mary Stuart, 2001/Johnny Bee road were road floods and is undermined between pipe and road. Silver lake and Park Road , on silver lake penn dot took out a catch Basin last year and left a huge hole, all winter long cars go in this whole .
- NEPA announced that all government bldgs. Will be required to be ada compliant in the future. Signing up for training sept 12th .
