

ORDINANCE 106

ROADS AND DRAINAGE FACILITIES AS AMENDED TO CLARIFY THE TOWNSHIP NOT TAKING ANY NEW ROADS

delete: 106.6.D Pennsylvania Dept. of Transportation Requirements

In addition to the requirements of this Ordinance, all requirements of the Pennsylvania Department of Transportation that must be fulfilled to qualify the Township to receive reimbursement from the Commonwealth under the laws that provide for reimbursement to municipalities for the construction, reconstruction, maintenance and repair of roads must be satisfied. These requirements are set forth in Form #408, Specification (latest revision).

This Ordinance shall be effective immediately.

Adopted this 10 Day of September 2014.
